"I am very thankful for what Dr. Pierce's Favorite Prescription has done for me," writes Mrs. Etta E. Smith, of Grenola, Elk Co., Kans. I could not rest at night or at any other time. I could scarcely cat anything. I began taking Dr. Pierce's Favorite Prescription and after the second dose I felt better. From then until I was confined I carried all the water that was used up a long hill and worked in the garden every day, besides my other work and did not feel at all bad. When the baby was born I had a very easy time. The women said I had an ensier time than any one they ever saw for the first time. The baby is very healthy. I got up when she was five days old.
